

Sustainable Bagasse Products for Global Brands

ABOUT VANTA

The packaging behind your brand's next serve.

A manufacturer and exporter of premium bagasse products, engineered for global brands, hospitality groups, and private-label buyers.

Headquartered in Rajkot, Gujarat, we make bagasse bowls, plates, clamshells and meal trays entirely in-house, no middlemen, no outsourcing.

From private-label startups to global food chains, brands come to us for packaging that's consistent, on-spec, and ready when they need it.

Building Sustainable Packaging, Delivering Global Solutions

Who We Are

Vanta is a manufacturer and exporter of eco-friendly bagasse products, delivering reliable food-grade packaging solutions to businesses across global markets.

What Drives Us

We combine quality manufacturing, innovation, and customer-focused solutions to create packaging products designed for performance, sustainability, and long-term partnerships.

Bagasse Products

Round Plates - Plain

Made from natural sugarcane bagasse, these plain round plates are sturdy, lightweight and suitable for everyday food service. Ideal for restaurants, cafes, catering, parties and takeaway meals.
