

Sustainable paper packaging for global brands

ABOUT VANTA

The packaging behind your brand's next serve.

A manufacturer and exporter of premium paper products, engineered for global brands, hospitality groups, and private-label buyers.

Headquartered in Rajkot, Gujarat, we make paper cups, bowls, and plates entirely in-house, no middlemen, no outsourcing.

From private-label startups to global food chains, brands come to us for packaging that's consistent, on-spec, and ready when they need it.

Building Sustainable Packaging, Delivering Global Solutions

Who We Are

Vanta is a manufacturer and exporter of paper cups, delivering reliable food-grade packaging solutions to businesses across global markets.

What Drives Us

We combine quality manufacturing, innovation, and customer-focused solutions to create packaging products designed for performance, sustainability, and long-term partnerships.

PLASTIC PRODUCTS

Non-Sustainable Material

Made from petroleum-based resources
with long-term environmental impact

Not Heat Friendly

May release harmful substances
when exposed to heat or reuse

Harmful to Environment

Non-biodegradable material that
contributes to pollution and waste

PAPER PRODUCTS

Eco-Friendly & Sustainable

A responsible packaging choice made from
renewable and biodegradable materials

Safe for Food Use

Food-grade materials designed for safe
consumption and everyday use

Better for the Environment

Breaks down naturally, reducing long-term
environmental impact

Paper Products

Single Wall - Paper Cup

Made from food grade paper, these cups are perfect for tea, coffee and cold drinks. Lightweight, leak resistant and ideal for cafes, offices and events.
